## ISAS NEWS UPDATE March 2011

### LATEST NEWS

#### First NHS Imaging Service Accredited

We are very pleased to announce that the first NHS imaging service, and the first early implementer site, to be formally granted accreditation to the ISAS Standard is Blackpool Teaching Hospitals NHS Foundation Trust. Their Schedule of Accreditation has now been published and can be found in the [Accredited Organisations](#) section. Do take a look!

A number of customers are rapidly progressing through the accreditation process so please do regularly check this website for the names of newly accredited organisations.

#### Secure your place in the Next Cohort of Applications!

**UKAS is inviting UK diagnostic imaging service providers, both NHS and Private, to submit their applications for accreditation by 15<sup>th</sup> May 2011 to secure their place in this cohort of applications.** UKAS will continue to process new applications on a first come, first served basis and any applications received after this date is likely to be put on hold until the next cohort of applications.

Further information on how to apply can be found under the [Application](#) section. If you wish to discuss your application for accreditation please email Imaging Customer Services and a member of the ISAS team will get back you.

#### ISAS Assessor Refresher Training 2011

The next ISAS Assessor Refresher Training Day will take place on 12<sup>th</sup> July 2011 in central London. All authorised assessors should have received an invitation by email in February. If you have not received the invitation but would still like to attend, please contact Imaging Customer Services.

#### ISAS Promotional Material Available

Please contact us if you would like to receive a poster, brochure, leaflet, a copy of our DVD ‘Delivering Confidence: The Benefits of Imaging Services Accreditation’ or a copy of our new case studies leaflet based on the experience of our first accredited customers.

#### ISAS ASSESSORS WANTED!

We are actively recruiting for **Technical/Peer Assessors**. Radiographers and radiologists will receive CPD, as appropriate from their respective professional bodies. For further details of the Assessor role please visit the [Jobs](#) section of the ISAS website, where you will also find future training dates.
